

MEDIATION A summer job in the USA

You are good at tennis and want to work as an instructor for children in the next summer holidays. You have found the following advert on the internet.

Company:	Summer Jobs	Description: You are good at tennis? You have experience with children? Then show your skills by working as a tennis instructor in one of our summer camps this year. You will teach different groups of children, 4–6 activity sessions per day. You will also have to make the instruction plan, set up the court and ensure that the children are entertained and looked after at all times. You will work from Monday to Friday. You will start work at 9 o'clock in the morning and finish in the afternoon. So there is plenty of time to do some sightseeing too. If you want to work with children, find new friends and have fun, contact us today!
Location:	Florida	
Money:	about \$500 for a month and a free flight	
Start:	July–August	
Duration:	four to six weeks
